SCORE 11 TO 6

In Favor of Willimantic in Saturday's Game with Middletown.

The turn in the road came Saturday proteges were given a jolt on the top rung of the league ladder on Wind-ham field by Dunn's Colts, four new ones appearing for the first time before a local crowd, in a game that was good to watch in spots, but pret'y dumbly and loosely played by several players on both nines.

It might be termed a handout by Middletown, as it looked that way to some of the fans, but it is known that

Bannot's crowd is out after everything in sight, if possible, and it may sim-ply have been baseball luck for the

home team.

Lawless, at catch, appears to be a good man and should work well with the bunch when a few more games are played. Biggane in center apparently knows something about the game and ought to make good. Campion was played at third and while it is not his position, he accredited himself fairly well for a cog in an unoiled machine.

McLean at shortstop did not show as Well for a cog in an unoised machine. McLean at shortstop did not show as strongly as D'Andrea, the alert little infielder, who has the misfortune to be laid up in St. Joseph's hospitul as the result of Wednesday's game with

playing of the rest of the bunch was perhaps a triffe better than has been the rule the past week or so. James Nickels and Petrick were very much alive on the bases, but the rest of the bunch were somewhat slow, as Shaun Sullivan again showed that he is the man with the wallop by cracking out a brace of stingers that dangerously threatened the puchand umpire. TRAIN CHANGE. New Summer Timetable in Effect on New Haven Road.

The new summer train schedule on the New Haven system became effective Sunday. There are several important changes affecting Putnam.

On week days the changes include the alteration of time of the departure of the afternoon train from Williamntic to Boston from 3.50 to 3.56, six minutes later. The running time of the other trains in and out of Putnam over the Midland division, Boston to Williamntic, remain the same.

Between New London and Worcester the changes that interest Putnam Between New London and Worces-ter the changes that interest Putnam include the departure of the north-bound morning train at 7.32, instead of at 7.35; of the 12.25 p. m. north-bound for Worcestef five minutes lat-er, at 12.30, and of the north bound train now leaving here for Worcester at 2.47 to 3.58, eleven minutes latter.
